Note from the Pastor:

Due to Covid 19 along with health issues we have only had one business meeting, and that's ok. We may have one more this year or it might wait until January.

Announcements

This afternoon: Come ready to be blessed with good music in our 2pm singspiration. Special numbers are always welcome.

Wednesday, October 28th: Mitchel Wilson continues his series on Biblical Counseling. We are changing the service time to 6:30 to 8:00.

Sunday, November 1st: Pastor Tim and Lissa are going to take their third and final week of vacation this year. They are both planning on being here and helping with the music program in both services. The Sunday School and both Preaching services will be administered by the "Sons of Thunder", with Associate Pastor Nathan Dykeman taking overall leadership.

Sunday, November 22nd: We will have normal services this day and a regular 2pm service that night. The singspiration will be placed back to it's normal time on the 29th in the afternoon.

There are times when the Pastor has to do listen to God and make tough decisions even if it's unpopular with some, especially when it comes down to the spiritual direction of the church. In other matters though, I try to listen to the desires of the congregation. The people have spoken and due to Covid 19 concerns we will not be having our normal Thanksgiving services this year. I apologize for the confusion.

Note from the Pastor II: Very soon I will be handing out a list of needed ministries in the church and am asking for people to pray over what God might have you do for 2020.
