Bulletin Attachment: Two weeks ago there was an insert listing ministries for 2021. If you need one sent to you let Pastor Tim know and we can either mail or e-mail one to you. Please turn yours into Pastor Tim after prayerfully considering it over the next several weeks. Let Pastor know if you have a question or concern. Obviously, this is under the assumption that things get back to normal.

Announcements

This afternoon: No services in the afternoon until further notice.

Wednesday, November 25th: No Wednesday services on Wednesday afternoon until further notice.

Website reminder: The website is a work in progress but is progressing nicely. You will be able to find services, bulletins and much more there as the days go by.

Note from the Pastor: I regret to do this, but I feel it is God's will to shut down the church building until further notice. I had hoped that by cancelling the Sunday afternoon service that it would be enough, but the risks have become too great.

Today is the last day we will meet in person for a while. I promise I will open the church back up as soon as I feel it is safe. In addition, I will try to keep in touch with the entire congregation as the days go by. Expect an occasional call from either Lissa or myself. This will be for the purpose not only to make sure we are all engaged, but also to get your feedback on the Corona virus and how you are feeling about restarting things as time passes.

In the meantime we will do our best to put messages and lessons timely, and perhaps we can even talk some of our talented musicians to put up an occasional number.

We love you all, and if you need us, please don't hesitate to contact us.
